

The 2011 U18 Cape Town International Schools/Clubs Hockey Festival was a huge success and feedback plus various video clips is available at www.capetownhockeyfestival.com

Entries for 2012 are already open and there has been a strong response from SA, Namibia, UK, AUS schools and clubs.

The Festival has been held annually since 2003 (with the exception of 2010 due to the FIFA World Cup) and is now regarded as one of premier junior hockey events in South Africa.

This year 24 girls + 20 boys teams entered and for 2012 the entry list should be similar.

All games are played on top rated astro pitches and the Festival is run on a very professional basis with all umpires provided and technical tables manned by Western Province Hockey Union members.

5nts and 7nts Festival packages are now available plus tailor-made longer packages to suit individual schools/clubs booking requirements – eg Cape Town + Garden Route etc.....

Please contact Brothers Sport in Cape Town info@brotherssport.co.za for an official invitation and further details of the accommodation packages.

Kind regards

Chris Brothers
Festival Director.
