## Thank you!

We want to say a big 'Thank you' to the New Zealand hockey community for making the Owen G. Glenn FIH Champions Trophy such a great success! The success of the tournament was due to the swift support that we received from key funders, sponsors, local businesses, spirited and vocal hockey fans of all ages and the fantastic contribution from the volunteers! Thank you!

The fourth place finish at the Champions Trophy was outstanding – it was great to see how competitive the Black Sticks are against the world's best and the potential that the team has going into an Olympic year.

## 2012 Tournaments

### Tournament Entry Fee Increase

At the Hockey Leaders Conference a recommendation was put forward to include host payments at the National Senior and National Under 21 Tournaments. This was approved on the understanding that this would increase the Tournament Entry Fee across all domestic tournaments. Therefore the entry fee for 2012 will be \$154 + GST per team. This comes into effect from 1 April 2012, due to the Masters Entry Fees already being set.

### Maximum Turf Charges for Tournaments

As highlighted at the Hockey Leaders Conference the Maximum Turf Charges for Tournaments have been increased by CPI. These charges will come into effect from 1 April 2012.

### First Aid Contribution

The maximum contribution has been increased to \$150 GST Incl per team. Please note that Associations must first send a quote for First Aid services to Hockey New Zealand along with their First Aid Plan and have it approved before they can invoice teams.

## 2012 Tournament Eligibility
